SUMMARY

Final-year Computer Science Engineering student at Vellore Institute of Technology, Chennai (CGPA 8.61). Passionate about software engineering and full-stack development, with a growing interest in AI systems such as RAG pipelines and vector databases. Experienced in building production-ready applications using React, Node.js, and modern frameworks. Enthusiastic about open-source, scalable architectures, and problem-solving.

TECHNICAL SKILLS

Programming Languages	Python, C/C++, Java, JavaScript
App Development	React Native, Expo, React Query
GenAI	RAG, Transformers, Prompt Engineering, Agents, Vector DBs
Web Development	Next.js, React.js, Express.js, WebSockets, FastAPI
Databases	PostgreSQL, MongoDB, Qdrant, Neo4j, Pinecone, PGVector
DevOps	Docker, GitHub Actions, CI/CD, Shell Scripting, AWS (EC2, S3)
Core Concepts	System Design, Operating Systems, Computer Networks, OOPS, DBMS

INTERNSHIP EXPERIENCE

Software Development Intern – Integra Global Solutions May 2025 – July 2025

- Completed a 30-day internship developing a React Native mobile app **Rooms.io** using JavaScript.
- Gained hands-on experience in mobile app development, UI optimization, and rapid prototyping.
- Strengthened full-stack and collaborative version control skills.
- GitHub:  [Rooms.io Repository](#)

PROJECTS

ERP Management System for Manufacturing 2025

- Designed and developed a modular Enterprise Resource Planning (ERP) application for a manufacturing organization using **Zoho Creator, Deluge, and Zoho DBMS**.
- Digitized end-to-end operations by integrating CRM, procurement, warehouse, manufacturing, sales, asset management, and employee administration into a centralized platform.
- Implemented role-based access control and real-time reporting dashboards for live visibility into production, inventory, and sales.
- Automated multi-stage approval workflows for purchasing and asset allocation, reducing manual paperwork and turnaround time.

EDUCATION

2023 – 2027	Vellore Institute of Technology , Chennai B.Tech in Computer Science and Engineering (Core)	(CGPA: 8.61/10)
2021 – 2023	Sri Chaitanya School , Coimbatore	(90%, CBSE - Class 12)
2019 – 2021	Sri Chaitanya School , Tirupur	(80%, CBSE - Class 10)

POSITIONS OF RESPONSIBILITY

Core Member – Linux Users Group (LUGVITC) 2024 – Present

- Led a management team of 10 members in organizing and running technical events, including hackathons and CTFs, with participation from around 150 attendees.
- Organized and mentored Linux workshops and open-source contribution drives for VIT students.
- Collaborated with peers to promote FOSS culture and DevOps practices across campus.
